I (we), Southern Durham Development Inc., owner(s) of the 165.944-acre property having Property Identification Number(s):

am(are) aware of the application for the M1(D) zone and development plan that accompanies the zoning map change request. A development plan places significant limitations on the physical development of the land. The obligation to develop in accordance with an approved development plan runs with the land and is not dependent on this particular applicant. Changes to a development plan approved with a rezoning request may require a future zoning map change request.
